ABOUT THE PROPERTY & FEATURES

Millar Crossing is located on the corner of 51st Street and Millar Avenue, one of the most prominent intersections in Saskatoon's north end. This high profile corner handles over 42,800 cars per day in close proximity and with ease of access to Warman Road, Highways 11, 12 and 16.

The first two phases of development at Millar Crossing were completed in 2013. Phase 1 features a 10,500 SF building with a diverse mix of retail and restaurant users including: Subway, Tommy Gun's, Opa Souvlaki, Wok Box, Edible Arrangements and Panago. Phase 2 is a 7,800 SF Original Joe's. This location is unique to the franchise with a brewpub, restaurant, and offsale all featured within. Proposed plans for the third and final phase of this modern development feature a 6,400 SF free stand and a 16,000 SF retail/office building.
